1.3 Masks

Competitors are to follow Provincial Health and Regional Health guidelines, set by the region they are participating in. It is up to the Proprietor of the Bowling Centre to enforce mask mandates. Masks **can NOT** have any derogatory logo's, sayings or statements. If a competitor is exempt from wearing a mask, it is the competitors (or parent/guardian) responsibility to inform the Proprietor. Disposable masks are recommended.

1.5 Other Notes

For team events, bowlers on the same team are not required to wear matching uniforms.

Hats, or other headgear, is prohibited unless required for medical or religious reasons.

Note: Invisible Disabilities – In consideration of athletes that have invisible disabilities or sensitivities, accommodations may be made. For example, an athlete that is sensitive to loud noise may be permitted to wear noise-canceling headphones, or other device to ensure their comfort. Athletes with an invisible disability or sensitivity must inform the Tournament Director.

In all instances, competitors' clothing is expected to be neat and tidy. Clothing is not to be ripped or tattered.

This dress code is not applicable to other rounds (House, Zone, National). Events at these other levels may have their own dress code. It is the responsibility of each competitor to comply with the dress code of these other events.

Any deviations from this dress code must be approved by the Youth Bowl Ontario office.

It is advisable that bowlers err on the side of caution when it comes to their uniform choice in determining if it adheres to the dress code. Example: Particular styles of yoga pants may overlap with clothing items that are not allowed, such as leggings / tights. In cases such as this, bowlers are advised to wear other clothing options that fit more clearly within the dress code, in order to avoid a dress code infraction.
