## FORMAT

### Zone Final

Five (5) games (scratch pinfall) will be played at the zone final to determine the bowlers who will form the team that will advance to the provincial championships. The top two boys, top two girls, plus the next highest qualifier, for a total of five (5) bowlers will form the team.

### Provincial Finals

At the provincial finals, teams will be placed into one of two groups based on their qualifying scores from the zone round. Group #1 will be comprised of the teams ranked 1<sup>st</sup>, 3<sup>rd</sup>, 5<sup>th</sup>, 7<sup>th</sup>, 9<sup>th</sup>, and 11<sup>th</sup>; and group #2 will be the teams ranked 2<sup>nd</sup>, 4<sup>th</sup>, 6<sup>th</sup>, 8<sup>th</sup>, 10<sup>th</sup>, and 12<sup>th</sup>.

Teams will bowl a five (5) game match-play round-robin against the other teams in their group, meaning each team will play every other team in their group once. Each game will be worth a total of eight (8) points (1 point per individual match, and 3 points for team total).

The top two (2) teams from each group, based on total points earned, will advance to a one (1) game final where all four (4) teams will compete against each other in a Player vs. Field style format, as follows: All bowlers in the same position (e.g. #1 leadoff) will bowl against each other, with points being distributed based on their score compared to each other (4 points for the highest score, 3 points for the 2<sup>nd</sup> highest score, etc.). In addition, points will be awarded in the same fashion to final team total. This means there is a maximum of 24 points available if you win all games and team total.

The team winning the most points from the final will be declared the 2016 Senior Mixed Team Champions.
