

<u>Policy Title</u>	<u>Current Version Date</u>
Competitor Disclaimer – COVID-19 Vaccinations	October 15, 2021

This policy is applicable to all YBC participants.

Youth participants, as well as parents/guardians, must adhere to both Provincial and Local Health guidelines. In the past weeks, as well as it is expected in the coming weeks, Local Health regions have gone above and beyond the restrictions set by the Province on Ontario.

Should a bowler qualify for an event that has different health guidelines than their own home centre, the bowler, and parent/guardian, is expected to adhere to the health guidelines where the event is being held.

Youth Bowl Ontario 5 Pin is not making it mandatory for all Youth aged 12-17 to be fully vaccinated to participate in YBC, however Bowlers aged 12-17 that are not fully vaccinated are at risk of not being able to participate in events run in health regions that require the Youth to be fully vaccinated in recreational sports.
