1.4 Other Notes

For team events, bowlers on the same team are not required to wear matching uniforms.

Hats, or other headgear, is prohibited unless required for medical or religious reasons.

In all instances, competitors' clothing is expected to be neat and tidy. Clothing is not to be ripped or tattered.

This dress code is not applicable to other rounds (House, Zone, National). Events at these other levels may have their own dress code. It is the responsibility of each competitor to comply with the dress code of these other events.

Any deviations from this dress code must be approved by the Youth Bowl Ontario office.

It is advisable that bowlers err on the side of caution when it comes to their uniform choice in determining if it adheres to the dress code. Example: Particular styles of yoga pants may overlap with clothing items that are not allowed, such as leggings / tights. In cases such as this, bowlers are advised to wear other clothing options that fit more clearly within the dress code, in order to avoid a dress code infraction.
